Sounders FC Alliance Council Statement on Departure of Garth Lagerwey

Seattle, Washington – We at Seattle Sounders FC Alliance Council wish to congratulate Garth Lagerwey on his new position with Atlanta United. His time with the Sounders truly brought immortality, with two MLS Cups, three Generation Adidas titles, and the CONCACAF Champions League Final trophy. The Council was lucky enough to work closely with Garth throughout the years, and we are thankful for his time, insight, and candor. Thank you for everything, Garth.
